

ARG UK Herpetofauna Workers' Meeting 2009

Saturday 31 January to Sunday 2 February 2009

The Dunes Conference Complex, Pontin's Blackpool,
Clifton Drive North, Lytham St. Annes, Lancashire FY8 2SX

Conference registration

There are two registration rates:

- Full rate
- ARG reduced rate

ARG reduced rate is for active ARG members (i.e. you cannot simply join an ARG between now and conference to obtain reduced rates).

There is accommodation available at the Dunes Conference Centre. The conference package deal includes:

- Both days of the conference
- Saturday evening meal and social event
- Accommodation on Saturday night.

If you prefer to arrive on Friday, then accommodation on Friday night is an additional cost (Friday night accommodation does not include any breakfast on the Saturday morning). The conference package is extremely good value for money – but to take advantage of this deal you must return your registration form by **16 January 2009**. **The closing date for registration without accommodation is 23 January 2009.**

If you want to share a room on Saturday night (two people in a double room) then note that the rate given covers one person of two sharing. Please return **two** registration forms – one for each person registering.

If you want to arrange your own accommodation then you are welcome to attend the conference during the daytime only, including the social evening, or not, as you prefer.

Name.....ARG if registering at ARG rate.....

Address.....

.....

.....Post code.....

Telephone.....Mobile.....

Email.....

*Please send registration form/s and cheque payable to **ARG UK**, to: The HCT, 655a Christchurch Road, Boscombe, Bournemouth, BH1 4AP.*

Workshops/ training sessions

There will be three workshop sessions at the conference. Select **three** workshops from the following list and number in order of preference. We will do our best to see that you can attend the workshops of your choice – although we cannot guarantee this, due to constraints of planning.

1. **Engaging with the media** []
2. **Raising the profile of your ARG** []
3. **ARG engagement with BAP** []
4. **Working towards standards in reptile mitigation** []
5. **Pond creation** []
